Transparency and authenticity are two key values that can help build trust with customers. Transparency means being open and honest with customers about how your business operates,

Dr. Huyangi Jinsan

CEO, Grina

**FAQ**

### Frequently Asked Questions

Well I have an amazing air filter, why do I need to ventilate?

Air filters don't capture VOCs and don't increase oxygen levels in the house. Some charcoal activated filters might capture VOCs but they still can't increase oxygen levels.

Well I will just open my windows.

I have indoor plants.

Why do I need to buy two fans?

Well I will just open my windows.
